## ANAFRESH

ANAFRESH

Anafresh is a cost effective concentrated deodorizer that is a safe and effective tool for eliminating tough odors caused by disasters. The concentrate is designed to target and completely neutralize the odors left behind by fires, smoke, flooding, mold and mildew. Anafresh is formulated with a proprietary blend of 100% Biodegradable essential oils, is water soluble and has a neutral pH. The product is safe for use on all types of finished and unfinished building materials, furnishings and textiles.

### General Characteristics:

- Concentrated formula
- Blend of Biodegradable Essential Oils

Choose the **Anabec System** Better Chemistry. Superior Results.
